## Pick-up, parking and parking situation

At certain rush hours, the parking lot and the entrance area of the school are very congested. We kindly ask you to park in a space-saving way.

Please do not stay in the entrance area of the building when picking up your child since it gets too crowded, as this is where our first and third graders change their clothes.

Please be considerate to each other on the parking lot. It is not absolutely necessary to park longer in the morning, as the children should also go alone to the school building in order to support their independence. Of course, it is a different situation, if you come in to have a short conversation with one of our teachers or on a day when your child has a lot of luggage and you are helping your child carry it.

We ask for your understanding that we cannot open the schoolyard for traffic, as children walk there.

## Apple harvest and apple juice

At the apple harvest on Friday, 09/14/2018, the following quantities were collected and delivered to the fruit press in Lehen.

121,6 kg and also 25 kg (apple pear), this is equivalent to 68,1 and 14l of juice

**In the name of all students, we would like to thank all parents, children, grandparents and our janitor who supported us actively.**

## Library – book pool

As discussed in last year's school forum, we are happy to set up a book pool for students. All parents (and children) can hand in or donate the books of children who are no longer age-appropriate for them. These books will then be made available to the younger age groups in the form of a class library or year-related library. The distribution of the books from the class library / library will be controlled by our students.

**Many thanks to the parents who have already donated to the library.**

## Toys for the students in the afternoon care

Soon the cold season begins again. Therefore, we would like to expand the range of indoor games for the students staying in the afternoon care and ask for your donations of toys. The students would be very happy about Lego, Playmobil or other toys with which one can build or con-
